Dear Parents and Families of Vista Unified School District,

As you may know, Vista Unified School District has closed schools and will reopen schools on Monday, April 6, 2020. We are committed to ensuring that students continue to have access to good nutrition.

The Child Nutrition Services Department has been approved for a waiver from the California Department of Education to continue serving meals during the weeks of March 16-20 and March 23-27 at five (5) locations throughout the district. Meal services will not be provided during the spring break week of March 30-April 3, 2020.

We will be serving lunch meals at the following locations:

- Roosevelt Middle School
- Vista High School
- Grapevine Elementary
- Rancho Buena Vista High School
- Foothill Oak Elementary
- Boys and Girls Club of Vista

Meals will be served Monday through Friday between 11:00 and 12:00 at each of these locations. Sack meals will be served and will consist of lunch and next day's breakfast. Menus will be posted at www.WaveCrestCafe.com. We will post updates to the website as well as our social media channels, [Facebook](#), [Twitter](#), and [Instagram](#).

For families who participated in the San Diego Foodbank backpack food distribution program, these will continue to be available at the school sites.

If you have questions, please contact our Child Nutrition Services Department at (760) 726-2170, ext. 92400.

Sincerely,
